

## PRODUCT OVERVIEW

This medium-weight power station packs a punch with enough power to run multiple devices at once, keeping your home office going and your kids entertained. With your monthly subscription, the lifespan, maintenance, and upkeep of your device is our problem, not yours. Ever!

## WHY YOU NEED THE VOLTA 500

The Volta 500 utilises the latest high-density, lithium-ion battery technology to provide a whopping 1152 Watt-hour of electricity, making the unit perfect for powering your home or work environment. Enjoy quick, safe, and easy charging via the integrated inverter charger configuration.

### FEATURES:

High powered device

Gives you 1152Wh of power

AC & DC for more umph

Ultra-safe lithium iron phosphate battery

Zero emissions

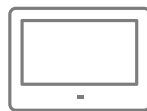

## WHAT CAN BE POWERED USING THE VOLTA 500

Wi-Fi Router

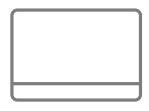

Mobile Phone

Tablet

DSTV Decoder

TV

Gaming Console

9W LED Light

Desktop

Laptop

## MAIN FEATURES AND BENEFITS

- 1152 watt-hour of electricity
- Safe, quick and easy to recharge
- Delivers flexible and highly efficient power

## ADDITIONAL INFO

TECHNICAL SPECIFICATIONS				
<b>Dimensions</b>				
Width: 360 mm	Height: 360 mm	Depth: 160 mm	Weight: Approx. 15 kg	
<b>Environmental</b>				
Operating temperature: Indoor ambient temperature, -0 to 40°C operating/ storage relative			Operating/storage relative humidity: 10% to 90% non-condensing	
<b>Capacity and Battery</b>				
Input voltages: 220-230 VAC	Output voltages: 5VDC/1.2A; 220- 240VAC	Rated output power: 500 W	Battery capacity: x4 100Ah LiFePO4 cells 1152Wh Battery (@90% Depth of Discharge)	Chemistry: LiFePO <sub>4</sub>
<b>Safety Features</b>				
Over voltage protection			Short circuit protection	

**Lifetime** Guarantee.  
**Your Convenience**, our Priority.  
**Affordable** Monthly Payments.
